SUBJECT: FCC LICENSE APPLICATION SERVICE

Included in this file is our **QUICK AND EASY** licensing information sheet. We make the licensing process easy for you and your customer.

HERE IS HOW IT WORKS:

1. Your salesperson and customer complete our information sheet.
REMEMBER THE FEDERAL TIN (9-digit Federal Number).
2. Your customer signs the FCC Form 601. (Don't worry about the remainder of the FCC form. All we need is the **SIGNATURE** on the signature line, and a printed **NAME** on line 50.)
3. Mail, e-mail, or fax the completed information sheet and the signed (blank) FCC Form 601. Then mail the check and the original paperwork to the address above.
YOU ARE NOW DONE WITH YOUR FCC LICENSING TASK.
4. We prepare all FCC and coordinator paperwork and file it with the proper agency in a timely manner.
5. Your customer receives their license in about 6 weeks from the FCC.

We are available to handle **ALL** your FCC licensing needs. We are equipped to handle **ALL** types of Part 90, 95, and 101 licensing. Please visit our website at www.caraenterprises.com for current prices, FCC News, and other forms. **WE LOOK FORWARD TO HEARING FROM YOU.**
