SUBJECT: FAA & FCC TOWER REGISTRATION SERVICE

Included in this file is our quick and easy licensing information sheet. We make the licensing process easy for you and your customer.

Here's how it works:

1. Your salesperson and customer complete our information sheet (page two of this document). **Remember the 9-digit federal Taxpayer Identification Number.**
2. Your customer signs the FCC Form 601 (page three of this document). Don't worry about the remainder of the FCC form. All we need is the **signature on the signature line**, and a **printed name on line 50**.
3. Mail, e-mail or fax the completed information sheet, and the signed (blank) FCC Form 601. Then mail the check and the original paperwork to the address above. **You are now finished with your FCC tower registration.**
4. We prepare all FCC and coordinator paperwork and file it with the proper agency in a timely manner.
5. Your customer receives their license within twelve (12) weeks from the FCC.

We are available to handle all your FCC licensing needs. We are equipped to handle all types of Part 90, 95, and 101 licensing. Please visit our website at caraenterprises.com for current prices, FCC News, and other forms. We look forward to hearing from you.
